If you value your life, no words Anthony Robbins can avoid. I've been so completely immersed in Tony Robbins lately that I can't say more, which is good, cool, amazing it's mean. It was great, but also a lot of the same stuff that I've heard and read in recent weeks. Maybe it's amazing. Give it a try and decide for yourself. the information involved in this program is life-changing. The various steps he teaches on how to achieve your goals and step-by-step action are fantastic. It's good at the beginning, it's repeated over and over again... RPM changed my life freakin! I'm stuck in endless to-do lists, detached from my goal. Not this not again. I taught this tool to clients as well. It's a great program. Unfortunately, I didn't have the printed materials that ship with this audiobook, and it was good for the first few discs, but it turned out to be an obstacle on discs 5 and 6. It's a fair book and as always Robbins makes some great points and suggestions. However, I found the material more unfocused than its norm, and the book is prone to long stretches of rambling and creative visualization. Of course, Robbins Rambling is more interesting and inspiring than 90% of any other self Unfortunately, I didn't have the printed materials that ship with this audiobook, and it was perfect for the first few discs, but it turned out to be an obstacle on discs 5 and 6. It's a fair book and as always Robbins makes some great points and suggestions. However, I found the material more unfocused than its norm, and the book is prone to long stretches of rambling and creative visualization. Of course, Robbins Rambling is more interesting and inspiring than 90% of any other self-unfused help text, but I kept getting frustrated thinking that the book can and should achieve less than half the time. Finally, I gave up drive 6, feeling that I could find a more direct use for my audiobook listening minutes. Sorry, Tony. Tony. I think you're the best. It wasn't your best job. ... More (audio (10x1.5h) and pdf workbook) It was hard to put up with long, 45-minute blocks of rambling vivacity, but the content is valid. Core: 1) Focus on the results you want and you'll start to see many ways to get there. 2) Make sure you pay attention to all categories of life to maintain balance. 3) Take time for things that are really important. Some passages were actually instructive, like an anecdote about a general who decided that no engineers and miles (audio (10x1.5h) and PDF books) were hard to put up with long winding, 45-minute blocks of rambling vivacity, but the content is valid. Core: 1) Focus on the results you want and you'll start to see many ways to get there. 2) Make sure you pay attention to all categories of life to maintain balance. 3) Take time for things that are really important. Some passages were actually instructive, like an anecdote about a general who decided that no engineers nor military personnel had been able to do for 10 years. How could he know which option was right? Never mind! If no one had been able to figure this out for such a long time, the right thing to do was just make a decision and get on with it. ... More key pick:-Focus on results, not todos you're not a person doing, you're human.-Focus on creating magical moments for yourself-Remind yourself of your ultimate vision and ultimate goal when performing tasks during the day-identify and own an identity that matches your ultimate vision-have a plan for your life before you make a plan for your day-to-define your category of improvements and continuously work on them to have a more balanced life. qqt: You're the more yo key pick:-Focus on results rather than todos you're not a person doing, you're human.-Focus on creating magical moments for yourself-Remind yourself of your ultimate vision and ultimate goal when performing tasks during the day-to-identify and own an identity that matches your ultimate vision-have a plan for your life before making a plan for your day-to-define category of improvements and constantly working on them. The more you can choose your own speed- It's not about time management it's about taking the time of your life to get the maximum maximum support out of this audio program I recommend you commit to all 10 days of the program and do all the tasks. ... more the only reason it doesn't change your life as much as personal power II or get the edge... because I went through PPII first and it was the ultimate life-changing experience. The first Tony course I ever did, Ultimate Power, wasn't there as long as personal power II, but almost as much of an impact on changing my life. The time of your life is the one that's really so good! Believe it or not is probably one of the most influential books on time management that I am I EVER read, use, and benefit from. Period. Classic Tony Robbins, so much energy to deliver useful information that can be applied immediately.
